Hi All,

Thank you for expressing interest in attending tomorrow's DLANC 7:00 meeting at 453 S. Spring St. Suite 1020. We have been organizing around this issue for a few months now and it is crucial that we stop DLANC from endorsing the current proposal.

We will be hosting a **brief pre-meeting at 6:15 at Starbucks on 603 S Spring St** before heading walking over to DLANC. If you are available, it would be great if you could drop by to get caught up on our strategy and talking points . In case you are not able to attend, I've attached a PDF that summarizes many of our key talking points.

Thank you again for your help and feel free to reach out to me with any questions.

Best,
Leon
